

Hala.

As Spanish is the predominant language for the Americas, how lucky your children are learning at such an early age.

Monica Munoz: Dear Monica

Congratulations on receiving a provincial Child Care Award of Excellence in the Urban Day Care category. This award recognizes your role in caring for young children at the Spanish Montessori Learning Centre.

Early learning is one of the most important careers in childhood development and on behalf of all parents, I thank you for your caring and devotion.

Again, congratulations for a job well done – you are most deserving of this award.

Sincerely  
Bridget A. Pastoor
