

Monica & Jose

February 27, 2009

Thank you for all you do and  
all you have done. You have  
a fantastic learning center and  
all of your hard work shows!!

Keep up the great work & success  
is yours!

It was an absolute pleasure having  
Oliver be one of your first students.  
We all look forward to getting to  
know you and your family better.

Best wishes, Trish & Charlie Christensen
